LETRINA S.A.

INDEPENDENT INSPECTORS CERTIFICATION BODY

Vegan Label / Vegetarian Label

Certification of Vegan & Vegetarian Edible Products

Go VEGAN with LETRINA

The **Vegan Label & Vegetarian Label** certification is based on a private protocol developed by **LETRINA S.A.** and it has been developed with respect to animals, humans and environment. The regognition of a product as Vegan or Vegetarian is not officially defined and there is always a doubt whether this product is vegan or not. **LETRINA S.A.** with its 30 years of experience in systems inspections and certifications comes as a pioneer to satisfy this need for edible product certification and offers the **Vegan Label** and **Vegetarian Label**.

The certification and annual inspection of the vegan and vegetarian process compliance system is provided with reliability and quality by LETRINA S.A.

CERTIFICATION STAGES

1 APPLICATION

Contact us to send you certification application

2 AUDIT

According to the information we collect from your completed application, we will be able to determine whether or not we will be able to conduct a site inspection. The inspection is conducted after a scheduled appointment

3 VEGAN LABEL & VEGETARIAN LABEL

The Vegan Label and Vegetarian Label is issued after a successful inspection and is applied only to edible products. It has an annual validity period.

4 ANNUAL INSPECTION

LETRINA SA perform a mandatory annual audit to certify the validity of the label according to our private protocol
